UP, UP AND AWAY A group of eight women from this province – including Marian Wissink, left, Department of Computer Science; Abigail Steel, a PhD student in engineering; and Dr. TA Loeffler, Human Kinetics and Recreation – are kicking off the summer in style. They're heading up Africa's Mount Kilimanjaro. They will be joined by alumna Wanda Highmore, Flora Seymour and Diane Rendell, as well as Leslie Grattan and Ann Marie Lane. The group hopes to summit on June 7.
