MUN President's Awards November 16, 2005

Professor [T.A. Loeffler](#) has been named as one of two recipients of the President's Award for Distinguished Teaching at [Memorial University](#). The other is Dr. Geoff Rayner-Canham of Sir Wilfred Grenfell College. Dr. Loeffler teaches outdoor recreation and education. She is also an avid mountain climber who scaled Mount McKinley, the highest peak in North America, earlier this year. Dr. Loeffler has her sights set even higher, one day she hopes to climb Everest. Dr. Stephanie Curnoe was the recipient of the President's Award for Outstanding Research while Dr. Bill Montevecchi and Dr. Peter Pickup received the designation of University Research Professor.
